

Globex International Holdings

Proposal for external audit services

About us

- A national audit practice with 40 years of continuous service.
- Sector specialists embedded in every engagement team.
- Independent, and structured to stay that way.

Demo LLP — audit, tax and advisory

Who you will work with

- Dana Whitfield leads the engagement and signs the opinion.
- A named manager on site throughout fieldwork.
- Continuity of team members year over year.

Our approach

- Risk assessment driven by your business, not a checklist.
- Early identification of judgements and estimates.
- No surprises: issues raised as we find them.
- Clear, written conclusions at each phase.

Expansion of services

- Transition planning across the newly in-scope entities.
- A single reporting timetable covering the expanded group.
- Incremental effort scoped and priced separately.

Applies where the mandate expands beyond the current scope

Scope of work — expanded

- Audit of the statutory financial statements for Globex International Holdings.
- Audit of each newly acquired subsidiary in the expanded group.
- Group consolidation and component auditor instructions.
- Reporting to those charged with governance.
